Dear Parents and Prospective Students:

On behalf of Candlelight Christian Academy, I welcome your interest in having your son or daughter educated at our school. At Candlelight we believe that to truly educate a child is to educate the whole child. Luke 2:52 outlines the early education of our LORD. The verse says “And Jesus grew in wisdom and stature, and in favor with GOD and men.” This translates into academic, spiritual, physical and social growth.

The mission of Candlelight Christian Academy, a holistic educational institution exemplifying the Body of Christ and accountability to society, is to develop academically and socially responsible individuals, cognizant of their capabilities and contributions to their school and local community, through a project based environment, accommodating the various learning styles of each student.

At Candlelight, we believe that every student has the capability to learn and grow and therefore will not be denied the opportunity to pursue learning to his/her fullest potential. Our goal is to enhance each student’s learning career by empowering each student with the necessary tools to succeed. Candlelight prides itself on its committed, professional, and truly caring faculty. We work hard to be accessible and to keep communications open between student, school, and parent.

Decisions that influence the future of your child’s education are never easy. We pray that the LORD will guide you as you seek the best educational experience for your child and we hope that Candlelight Christian Academy plays a part in your future.

God Bless You,

Candlelight Christian Academy
