Dear Parents and Prospective Students,

On behalf of Candlelight Christian Academy, we welcome your interest in educating your child at our school. At Candlelight, we believe that a true education encompasses the whole child. Luke 2:52 describes the early growth of our Lord: "And Jesus grew in wisdom and stature, and in favor with God and man." This principle guides us in promoting academic, spiritual, physical, and social development.

Our mission at Candlelight Christian Academy is to be a holistic educational institution that reflects the Body of Christ and is accountable to society. We aim to develop academically and socially responsible individuals aware of their capabilities and contributions to their school and local community. We achieve this through an interactive educational environment that accommodates the diverse learning styles of each student.

At Candlelight, we believe that every student has the potential to learn and grow. We are committed to ensuring that no student is denied the opportunity to pursue learning to their fullest potential. We aim to enhance each student's educational journey by equipping them with the tools they need to succeed. We take pride in our dedicated, professional, and caring faculty, who strive to maintain open communication among students, the school, and parents.

We understand that decisions regarding your child's education are significant and can be challenging. We pray that the Lord will guide you as you seek the best educational experience for your child, and we hope that Candlelight Christian Academy will play a role in your future.

God bless you,

Candlelight Christian Academy

Matthew 5:16 In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven.
